## **Privacy Policy**

### **1. Gathering of Information**

- 1.1 Mobile4x.com will gather information about a company or individual (user) as provided or entered by that company or individual. Mobile4x.com will only store information that is entered by users, automatically imported at a user's instruction or gathered through the use of cookies.

### **2. Monitoring of System Usage**

- 2.1 Mobile4X.com has access to and may use aggregate information such as the number of associated users, number of alerts and the number of updates. This information will be used to monitor the server and software performance as well as for other internal purposes of Mobile4X.com.
- 2.2 Mobile4X.com staff can access non-identifying and aggregated usage information in order to better understand how our customers are using Mobile4X.com so we can improve the system design and where appropriate have the system prompt users with suggestions on ways to improve their own use of the system.

### **3. Storage of Information**

- 3.1 The information gathered is stored securely in a database and is only accessible to Mobile4x.com or the user that the information relates to. A username and password is required in order to access a user's information on Mobile4x.com.
- 3.2 It is the user's responsibility to keep their password safe.

### **4. Your information is sent securely across the internet**

- 4.1 Mobile4X.com will endeavour to protect all information collected from you. However, the internet is not in itself a secure environment. Users should only enter, or instruct the importation of, information to the database within a secure environment. This means that the user's browser must support the encryption security used in connection with the Mobile4X.com servers.

### **5. Mobile4X.com will give you access to your information at any time**

- 5.1 On request, Mobile4X.com will provide the user with a full export of the user's information in a common file format determined by Mobile4X.com.

### **6. Use of Cookies**

- 6.1 Cookies are pieces of information that a website transfers to your computer's hard disk for record keeping purposes. Most web browsers are set to accept Cookies. We use Cookies to deliver content specific to your interests, to save your password so you do not have to re-enter it each time you visit the website and for other purposes relating to your transactions on the website. We also use Cookies for tracking the statistics of the website to allow us to better understand our users and to improve the functionality and layout of the website. If you do not wish to receive any Cookies, you may set your browser to either prompt or refuse Cookies.

## **7. You can opt-out of any email communications**

- 7.1 Mobile4X.com sends product information, service updates and regular customer newsletters to registered users via email. Where appropriate, email communication will contain clear and obvious instructions describing how the user can opt to be removed from the mailing list. Mobile4X.com will immediately remove any user upon request.
- 7.2 Mobile4x.com may also send you information from channel partners from time to time.

## **8. Third-party Websites**

- 8.1 The Mobile4X.com website may contain links to third-party websites. Mobile4X.com takes no responsibility for the privacy practices or content of these websites.

## **9. Privacy Policy Updates**

- 9.1 Mobile4X.com reserves the right to change this policy at any time and any amended policy will be posted on this website.

## **10. Please read our Terms of Use**

- 10.1 All use of this website is subject to Mobile4X.com's Terms of Use. In the event of a conflict or disagreement between this Privacy Policy and the Terms of Use, the Terms of Use will prevail.
